Recommendation to The Mennonite Foundation Inc., and Lancaster Mennonite School concerning distribution to a Scholarship Program for the benefit of pre-k, kindergarten, elementary or secondary students who are Pennsylvania residents attending Pennsylvania Schools.

We recommend that all contributions we make to you as part of the Pennsylvania Educational Improvement Tax Credit Program and/or the Opportunity Scholarship Tax Credit Program be distributed to the school(s) listed here for the benefit of students at such schools. If need is not present at designated campus, we recommend students in the LM system with next greater financial need receive the scholarship.

My contribution is for the benefit of *(please check the appropriate box)*:

- PA Mennonite Scholarship Organization for grades Kindergarten – 12 (EITC)
- Opportunity Scholarship Tax Credit Program (provides scholarship to eligible students to attend a participating public or nonpublic school of their choice if their school has been defined as a “low-achieving school” by state guidelines.
