LANCASTER
MENNONITE

Senior Presentations

Tuesday, March 26, 2019

Students have maintained a vocational portfolio during grades 9-11 at Lancaster Mennonite High School.

Advisory group leaders guide students in reflection of their experiences and some portfolio pieces will occur in class.

The goal of a senior presentation is for students to **reflect** on their lives, **appreciate** those who have nurtured them and to **anticipate** their future.

This process is designed to help students:

- Discover their interests, skills, passion and God’s calling in their life, realizing that this discovery is a process and not a conclusion.
- Reflect upon stewardship of God-given gifts and resources
- Discern their personal characteristics and Christian ethics needed for a vocation
- Become aware of how their potential career can be Christ centered and missional
- Review their personal high school plan in light of their current vocational goals
- Select post-secondary opportunities that match their personal vocational interests and goals

Tonight is one of three nights where LMH seniors will be sharing and reflecting on their past, present and future. It is a time for celebration, reflection and appreciation!

Most presentations are located in the **Rutt Academic Center**.

Presentations this year are: **March 7, 18 and 26, 2018.**
